ARTICLE 2. POLICIES AND RULES

The rules set out in the following manuals will be part of the Commission's Technical Regulations:

- By-law 6 Gymsport Technical Commissions
- Part A Commission Governance
- TRP Australian Levels Program
- FIG Code of Points

Any modification to these will be circulated in writing on the authority of Gymnastics Australia and the National Technical Commission.

2.1 TRP Selection Policies and Nomination Panels

Selection Policies, including the TRP National Squad Selection Policy can be found on the Gymnastics Australia website www.gymnastics.org.au > High Performance > National Team > Selection Policies.

ARTICLE 3. COMMISSION COMMITTEES

3.1 Statutory Committees

3.1.1 National GymSport Commission

- Technical Director
- Judging Coordinator
- **General Member – Project Co-ordinator x 2**
- GA Staff Member (*ex-officio*)

Please refer below for the Position Description of a Projector Coordinator and GymSport Technical Commissions Part A – Commission Governance for the desired criteria for the National Technical Director and National Judging Coordinator.

General Member – Project Co-ordinator

The Project Coordinator/s, in conjunction with the National Technical Director and GA Staff may:

- Assist in the development and support the implementation of the GymSport Australian Levels Program and GymSport specific resources
- Liaise with GA staff to assist with developing and enhancing various programs such as; coach and judge education, GymSport specific programs and high performance
- Analyse data and gather information from states/territories to improve athlete performance and programs
- Chair Working Groups (Project Groups) as required
- Work with GA staff to communicate technical updates and good news stories to the wider community, including advising of website updates
- Liaise with clubs and states/territories to promote national events
- Provide support to the National Technical Director, National Judging Coordinator (except GfA) and GA Staff in the lead-up to national events
- Attend commission meetings and contribute to planning and goal setting

3.2 National Sub Committees

The TRP Commission has the authority to appoint sub-committees and working groups as required. The process of selection is via either appointment or call for Expressions of Interest from the community.

3.2.1 DMT Development

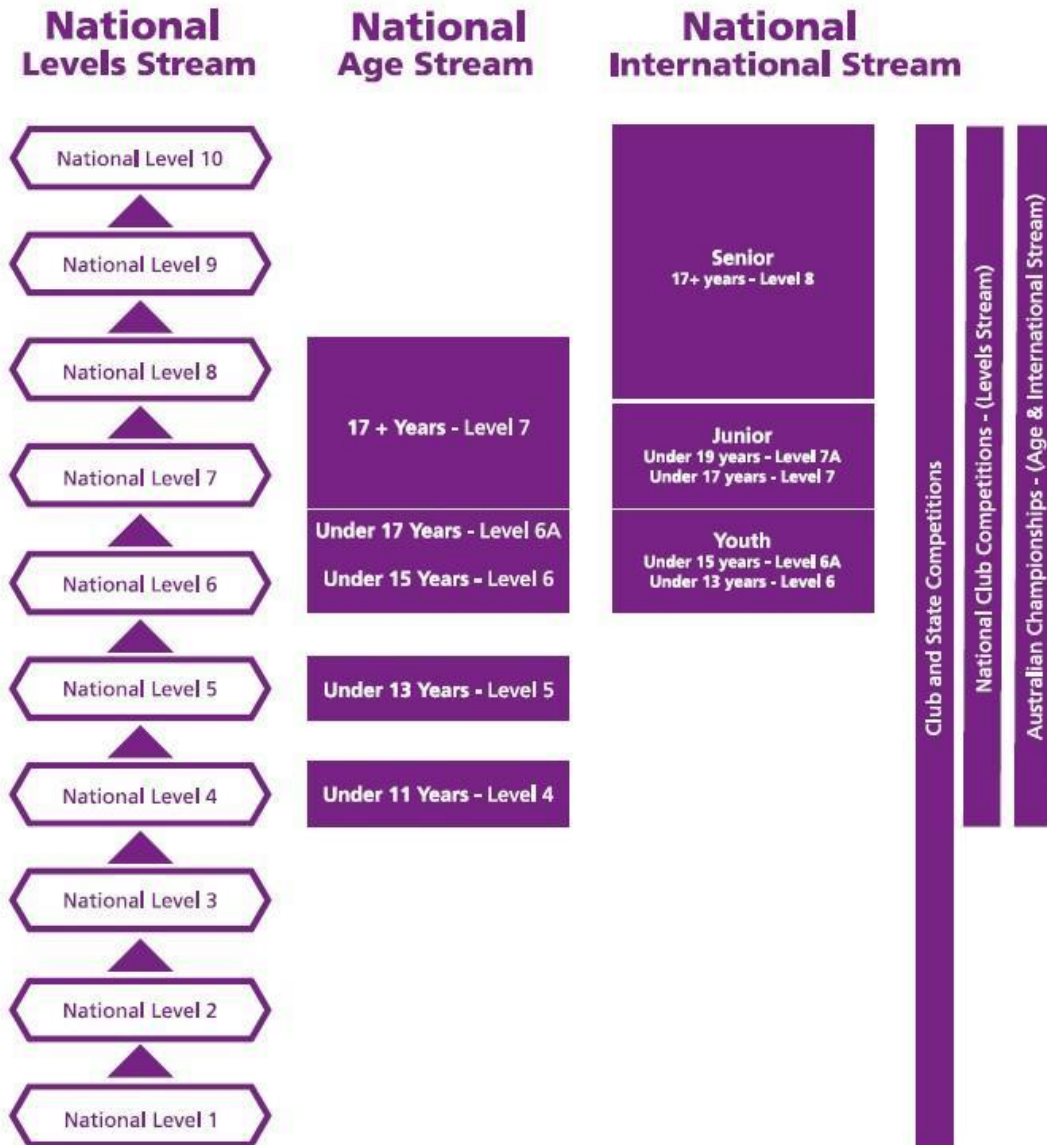

Double Mini Trampoline development is led by the National Commission, with the aim to develop the skills of DMT athletes and the development of this discipline.

3.2.2 Tumbling Development

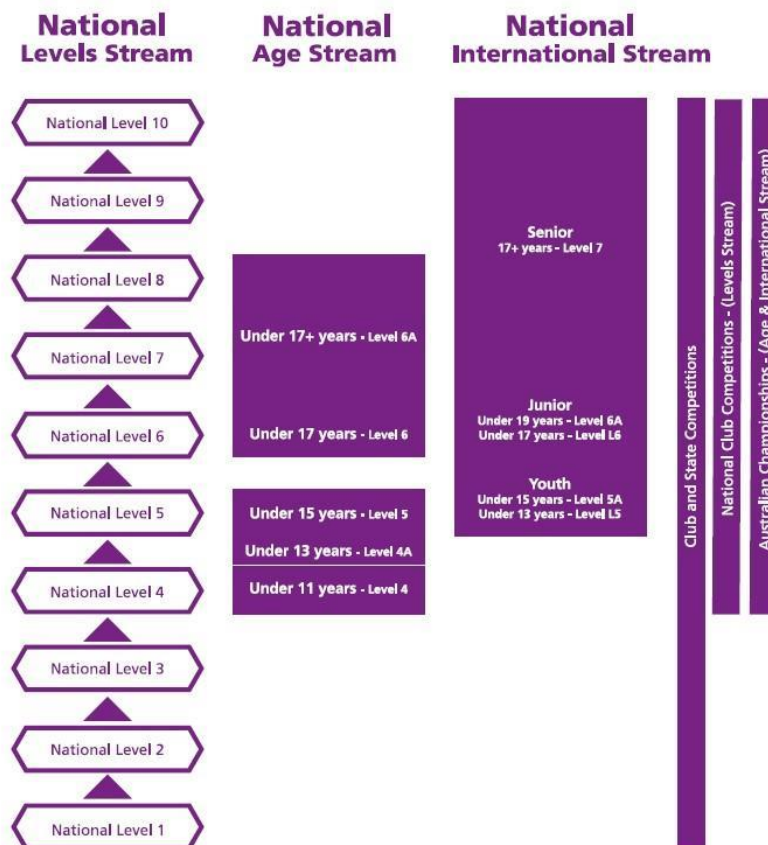

Tumbling development is led by the National Commission in communication with members of the tumbling community who are interested in the continuing development of this discipline within Trampoline Gymnastics.

ARTICLE 4. AUSTRALIAN LEVELS PROGRAM

TRAMPOLINE & DOUBLE MINI NATIONAL PROGRAM

TUMBLING NATIONAL PROGRAM

The Trampoline Gymnastics Australian Levels Program is a National Program and includes all three apparatus of 10 levels. This system is split into the Levels Program and the “Guide to Passing Levels”. All athletes participating in the Trampoline Levels Program must be registered members of their State/Territory Gymnastic Association. This includes level 1 and level 2 gymnasts.

Whilst the program provides an overall development program for use by both coaches and performers, it is not intended to be the only source of reference for Trampoline Gymnastics. Coaches should ensure that they are competent in the teaching of all Trampoline skills that they present to their athlete.

The ALP levels indicate a measure of competency at each level by the athlete. Club coaches and judges should ensure that their athletes demonstrate these levels of competency for the specified competition. The ALP details the routines/passes required for each level and the process of assessment. This program is available from Gymnastics Australia.

4.1 How to Obtain Your Trampoline Gymnastics Level Badge

As per “How to obtain your levels badge” section in the [“Trampoline Gymnastics Australian Levels Program”](#).

ARTICLE 5. COMPETITION RULES AND PROCEDURES

5.1 Purpose

The FIG Code of Points, FIG Technical Regulations, FIG Apparatus Norms and Technical Regulations provide governance for all Trampoline Sport Rules and Regulations. These Technical Regulations provide Trampoline Gymnastics – Gymnastics Australia with competition rules and regulations. The Technical Regulations shall be used in conjunction with the FIG Code of Points, FIG Technical Regulations, FIG Apparatus Norms, Technical Regulations and the Australian Levels Program.

5.2 Trampoline Gymnastics Divisions

Trampoline Gymnastics has three competitive streams, across the four disciplines:

- International Stream (Youth, Junior and Senior)
- National Age Stream (Age Groups)
- Levels

5.2.1 Division Rules - International Stream

Competitions include: Olympic Games, Youth Olympic Festival, World Championships, World Age Games, World Games, Pacific Rim, Senior and Junior International Invitational events.

Athletes participating in the International stream must achieve qualifying requirements to remain a competitor in this division. See '[Qualifying Standards](#)'.

Athletes who achieve the qualifying requirements for the international division at qualifying competitions must compete in the international division at the Australian Championships. Athletes who do not achieve the qualifying requirements to qualify for the international divisions at Australian Championships may compete in the National Stream in their Age divisions if they consequently meet the qualifying requirements for these Age divisions.

Athletes may only compete in **one division per discipline** at Australian Championships.

International Stream Events

- Senior International (17 years and older)
- Junior International (15 – 18 years) comprised of:
 - International Under 19 (17 – 18 years)
 - International Under 17 (15 – 16 years)
- Youth International (11 – 14 years) comprised of:
 - International Under 15 (13 – 14 years)
 - International Under 13 (11 – 12 years)

Junior and Youth synchronised events will consist of one (1) Voluntary routine in the preliminary round. Senior synchronised events will be as per FIG rules.

5.2.2 Division Rules – National Age Stream

Competitions are based on the age of the participant in the year of competition. In order to compete at the Australian Championships in that category, the participant must also have met all qualifying standards as listed in the '[Qualifying Standards](#)' section of these regulations during the qualifying period.

Competitions for Age events are held at the Club, State, National and the International Level. National Age Groups are: Under 11, Under 13, Under 15, Under 17 and 17+.

Time of Flight: As of 2018, “National Age Stream” Trampoline events includes Time of Flight (ToF) into the calculation of scores. This new ruling over-rides the Australian Levels Program.

All Synchronised Age events will consist of consist of one (1) Voluntary routine in the preliminary round.

Verification of birth dates for entries is the responsibility of the club/state/territory.

5.3 Sanctioning Competitions and Championships

- Gymnastics Australia may, from time to time, promote/sanction special events, National or International tours for residential and international.
- Individual athletes or groups are proposed by the National Trampoline Commission and ratified by Gymnastics Australia.
- The National Technical Commission is responsible for ratifying State/Territory Association competitions under the auspices of Gymnastics Australia that form part of any selection process to Australian teams.
- Clubs must seek sanction from their relevant Member Association – State/Territory Sport Management Committees for Levels testing and qualifying competitions for the Australian Championships.
- Competitions designated as ‘State/Territory Titles’ between two or more member Associations and/or are open to other than the Association's members, must be held in accordance with the Technical Regulations.
- No affiliated Association shall institute, or allow to be instituted within their jurisdiction, competitions that state or infer an event of the following nature:
 - National
 - World or International Championship
- Any State/Territory Association promoting a competition and wishing to vary from the conditions specified must state any variation when applying for approval to conduct the competition.
- Where possible, states should not request competition dates for sanction, if the date clashes with an already approved competition or event.
- Qualifying Competitions for the Australian Championships must be nominated to the National Trampoline Commission as per section [5.5.2 “QUALIFYING PROCESS & SCORES”](#). The date and venue can alter during the year, but no extra competitions can be added.
- All Qualifying Competitions **must** use the latest version of **SPORTTECH.IO** unless the National Technical Commission nominates a newer scoring system. The Results must be presented in the National Technical Commission determined format and uploaded to the Sporttech.io website as per the prepared State/Territory Association Logins, either during the event or directly after the event, and prior to the close of entries for national championships.
NB: Paper results are not an acceptable alternative.
- All qualifying competitions, State Levels Championships, State Age/Open Championships, and National events must use the official **Sporttech.IO** templates for the appropriate Levels or Age/International event, unless the National Technical Commission nominates a newer scoring system.
- Judging panels for all qualifying competitions **must be recorded and submitted to the National Commission upon request**, and should conform to the judging proforma issued by the National Judging Coordinator. States/Territories unable to provide **a full panel of** execution judges per panel (**CJP** may provide ‘E’ score) must seek approval from the NJC for modified panels.
- The **Sporttech.IO event Template/Format** can be accessed from the **National Technical Commission** upon request.

5.4 Generic Event Rules

5.4.1 Rules of Competition

As per the current:

- FIG Code of Points
- FIG Technical Regulations
- FIG Apparatus Norms
- Australian Trampoline Technical Regulations
- Australian Levels Program

5.4.2 Equipment

- FIG Apparatus Norms and the Code of Points for Trampoline, Tumbling, and DMT provide the equipment specifications for each apparatus. All clubs should be guided by these Norms.
- The FIG Apparatus Norms include Safety Platforms (End Decks) and floor matting and the DMT Norms make reference to the fixings that are allowed to stabilise the DMT.
- Tumbling may be performed on modified tumbling floors approved by the National Technical Commission.
- Equipment does not need to have a valid FIG Diploma, but should be in sound condition.
- Floor matting and end-decks must provide adequate protection for athletes.
- Other events must specify what equipment will be provided in the information calling for entries.

Trampoline

End decks and spotter mats must be provided but do not need to conform exactly to FIG Specifications, in terms of shock absorbency and dimensions, provided that prior approval has been granted by the Commission for the use of the equipment.

One spotter mat must be provided for each trampoline, as specified in the FIG Apparatus Norms.

5.4.3 Qualifications and Exclusions

- Australian competitors must be members of their State/Territory Association.
- Australian officials must be Technical Members of Gymnastics Australia.
- Member Associations sanction competition applications for State/Territory events.
- Gymnastics Australia sanctions competition applications for International events.
- International competitors must be registered with the appropriate governing body in their country (through their State/Territory) and be sanctioned for competition.

5.4.4 Australian Specific Competition Rulings

Final Scores

International Stream:

All individual events will be a ZERO START FINAL. Synchronised trampoline will combine preliminary scores and final scores to achieve the total FINAL score.

National AGE Stream:

The Preliminary Routines/Passes and Finals Routines/Passes will be added together to achieve the final score. There is **no** "ZERO START FINALS" rule applied in Australian competitions.

5.4.5 Enquiries/Protest

- Enquiries for the difficulty scores are allowed, provided that they are made verbally, immediately after the score is shown or at the very latest before the end of the routine/pass of the following gymnast or synchronised pair.
- Late verbal enquiries will be rejected.
- Every enquiry must be examined by the Superior jury and a final decision (which may not be appealed) must be taken at the very latest:
 - At the end of the rotation for the qualifying competition.
 - Before the score of the following gymnast/s is shown for the finals.

5.4.6 Age Restriction for Australian Competition

The following minimal age restrictions apply:

Under 11 events	Minimum of 9 years of age in year of competition
Youth International events	Minimum of 11 years of age in the year of competition
Junior International events	Minimum of 15 years of age in the year of competition
Senior International events	Minimum of 17 years of age in the year of competition

5.4.7 Competition Cards

As per FIG Code of Points with the following amendments:

- Cards need to be submitted within the time period stated by the organising committee.
- Cards for Australian Championships must be submitted to the designated Championship Office on the day prior to the competition.
- The Chair of the Judges Panel for each event shall be responsible for ensuring that all checks are complete before the competition.
- Correct International/National Age stream age group must be identified, along with date of birth.

Trampoline

- Competition cards with skills written in FIG Code **must** be submitted for Levels 8-10 and Senior International Events.
- Competition cards with skills written in FIG Code **may** be submitted for Levels 1-7 and Youth/Junior International events.
- For Submitted Competition Cards:
 - **1st Voluntary routines** must have required elements marked, and
 - **2nd and Finals Voluntary routines** must be submitted detailing degree of difficulty and body positions where appropriate.

DMT

DMT Cards, with skills written in FIG Code **may** be submitted with athlete details. Details of each pass are required. **If Cards are received without passes, the benefit of being signaled by the D-Judges for changes will not be possible.**

Tumbling

Voluntary passes **may** be submitted, with skills written in FIG Code, detailing degree of difficulty and body positions where applicable. **If Cards are received without passes, the benefit of being signaled by the D-Judges for changes will not be possible.**

5.4.8 Results

Results showing judging scores must be available and displayed **online or via print out** prior to presentations.

5.4.9 Tie Breaker Rules

In the case of ties in any placing for qualifying rounds and finals, FIG rules will apply. The FIG Technical Regulations outlines the Tie Breaker Rules per apparatus.

5.4.10 Trophies

An inventory of trophies is maintained by the National Technical Commission.

Member Associations and Sport Management Committees will be advised of the trophy holders in their State/Territory.

Member Associations are responsible for the return of trophies in good condition and engraved each year by the Australian Championships Orientation meeting. The National Technical Commission reserves the right to claim expenses from States/Territories if trophies are lost or need to be repaired.

5.5 Australian Championships

5.5.1 Qualifying Standards

Competitors must meet routine requirements. Routine requirements can be found in [5.5.10 Routine Requirements](#) and the [Australian Levels Program](#).

Competitors, by the 'Definitive Close of Entries' must achieve the qualifying requirements outlined in Appendix 1.

Athletes must also meet the 'Level' requirement for their current Age Group prior to the 'Definitive Close of Entries'.

Entry into the Australian Championships will be based on the Level, and a Qualification Score (inclusive of a Minimum Degree of Difficulty as stipulated).

Athletes can only qualify to compete in the Age Events at the Australian Championships by competing in:

- Age Events at state/territory organised sanctioned qualifying competitions inclusive of State Levels, National Clubs or State Age Championships.
- International Stream events at state organised sanctioned qualifying competitions inclusive of State Levels, State Championships, or **National Clubs** and meet the Age event qualifying requirements.
- "Levels" events at state organised sanctioned qualifying competitions, where the Level competed is equal to or greater than the Level required to qualify for the particular event as per the Qualifying Standards.

Athletes **CANNOT** achieve their current Age Group's qualifying score for the Australian Championships at the previous year's Australian Championships.

5.5.2 Synchronised Trampoline

Athletes may only compete in the stream (Age or International) in which they qualified individual trampoline.

Synchronised Trampoline pairs may not be altered after the Orientation Meeting. Alterations are only allowable if two different synchronised Trampoline pairs have been left partnerless due to injury/illness. Athletes who had not been entered into the Synchronised Trampoline event are not allowed to be paired.

For National Age Stream Championships:

Athletes qualified for Individual Trampoline can only compete in one Synchro event at Australian Championships

5.5.3 Qualification Process and Scores - National Age and International Streams

- All State/Territory organised Qualifying events for the Australian Championships to be held post National Clubs, in the remainder of the year prior to the year of the Australian Championships, need to be presented in writing to the National technical Commission by National Clubs Carnival.
- All State/Territory organised Qualifying events for the Australian Championships, held in the same year as the Australian Championships and prior to the close of entries, need to be presented in writing to the National Technical Commission by 1st January of the year of the Australian Championships.
- Once State organised Qualifying events have been presented to the National Technical Commission, no extra Qualifying events can be added.
- For TRP, Time of Flight (ToF) is not used to qualify for Australian Championships.
- State/Territory or Regional “Levels” competitions **are** eligible to be used as qualifying events.
- Qualification is only from either “National Age Stream” (U11, U13, U15, U17, 17+), “International Stream” (Youth/Junior/Senior) events, or “Levels” Events that are equal to or greater than the Level required to qualify for the particular event as per the Qualifying Standards.

5.5.4 Qualifying Process in the Year Prior to Australian Championships

In the year prior, **from and including National Clubs Carnival**, qualification for “NATIONAL AGE STREAM” events (TRP/DMT/TUM) is by:

- a) Achieving the age group (in the year of the Australian Championships) 2nd voluntary routine requirements (TRP only) or preliminary routine requirements (DMT & TUM) in Regional/State “**Levels**”, “National Age Stream” or “International Stream” qualification events.
- b) Achieving the 2nd voluntary routine requirements (TRP only) (for the division to be competed in the year of the Australian Championships) or preliminary routine requirements (DMT & TUM) at any FIG sanctioned International events held post National Clubs Carnival in the year prior.

In the year prior, **from and including National Clubs Carnival**, qualification for “INTERNATIONAL STREAM” events (TRP/DMT/TUM) is by:

- a) Achieving the 2nd voluntary routine requirements (TRP only) or preliminary routine requirements (DMT & TUM) in Regional/State “International Stream” qualification events (for the division to be competed in the year of the Australian Championships).
- b) For YOUTH, JUNIOR - Achieving the 2nd voluntary routine requirements (TRP only) (for the division to be competed at Australian Championships) or preliminary routine requirements (DMT & TUM) at any FIG sanctioned International events held post National Clubs in the year prior.
- c) For SENIOR - Achieving **the 2nd voluntary routine requirements (TRP only)** or preliminary routine requirements (DMT & TUM) at any FIG sanctioned International events held post National Clubs Carnival in the year prior.

5.5.5 Qualifying Process in the Year of the Australian Championships

In the year of the Australian Championships, qualification for “NATIONAL AGE STREAM” events (TRP/DMT/TUM) is by:

- a) Being a member of a National Squad for that discipline.
- b) Achieving the **Preliminary Requirements** for the “National Age Stream” in a “National Age Stream” or “International Stream” **or “Levels”** qualification event.

In the year of the Australian Championships, qualification for “INTERNATIONAL STREAM” events (TRP/DMT/TUM) is by:

- a) Being a member of a National Squad for that discipline.
- b) Achieving the Preliminary Competition Requirements in a Youth, Junior or Senior qualification event.
- c) Athletes who achieve the Youth/Junior/Senior qualification requirements in INTERNATIONAL STREAM events, **must** compete in the INTERNATIONAL STREAM for that discipline at the Australian Championships.

Scores achieved in **FIG approved** International competitions in AGE events will be considered as International Stream events post National Clubs Carnival for the purpose of qualifying for the Australian Championships, except 17+ events which will allow athletes aged 18 in the year of the Australian Championships to qualify for Junior, and athletes aged 19 or above in the year of the Australian Championships to qualify for 17+ only.

5.5.6 Uniform

State/Territory team members wear the state/territory uniform in the elimination rounds of their respective division. Athletes in finals may wear optional leotard approved by their Member Association.

State/Territory leotards need to be in the State/Territory colours. If the colours are not represented, the State/Territory must first gain approval from the National Technical Commission. Badges are not required for optional leotards.

Members of an International Team Event or a Synchronised Trampoline pair must wear an identical uniform, sanctioned by the State/Territory. National team uniform is not to be worn in synchronised events at Australian Championships.

Male Trampoline Gymnasts are allowed to wear Dark Longs (which differs from FIG regulations) Men's International Trampoline Teams **competing in Team Finals, or Men's Synchronised Trampoline pairs must all wear longs or all wear shorts of the same colour.**

5.5.7 Judges

The most qualified Advanced **Silver** or higher judges available shall be selected for judging at the Australian Championships.

For more information, please see the Judge Supply Guidelines for Trampoline Gymnastics available on the Gymnastics Australia website www.gymnastics.org.au > Gymsports > Trampoline Gymnastics > Technical Information.

Judges are required to wear black or navy suits, as for FIG events.

5.5.8 Australian Gymnastics Championships - International Stream

Qualifying For Finals

- The best eight (8) competitors from the preliminaries will participate in the international stream finals.
- The finals will also include the top eight (8) residential competitors.
- Finals will be from a ZERO start, with the exception of Synchronised Trampoline.

Trophies and Titles

Only persons whose domicile has been in Australia for the last six months prior to the titles are eligible to hold an Australian Title, except that Australian Subjects who may have been outside of Australia for all or part of the last six months immediately prior to the competition, shall be eligible to hold the Australian Title, provided that the State/Territory Association with which he/she is registered, is aware of the absence from Australia during this period.

Perpetual trophies shall be awarded each year, to be held by the individual event winners and the States/Territories winning the Age Discipline Competitions and Championship competition.

Medals shall be presented to the first three places in each event.

Perpetual trophies shall be presented to competitors on the strict understanding that such competitors shall be responsible for their return at the orientation meeting of the subsequent championships, in good order, clean and ready for presentation at the championships. Under no circumstances may an Australian perpetual trophy be taken from Australia.

Team Event

The Junior/Senior Team Format provides a state/territory based team's event in Individual Trampoline, Double-Mini, and Tumbling at National Championships. The competition format will be similar to a World Championships team final to provide invaluable experience of competing in a team's event prior to World Championships.

- **Events:**

Six team final events:

- Men's TRP
- Men's DMT
- Men's TUM
- Women's TRP
- Women's DMT
- Women's TUM

Each Australian state or territory is permitted to enter a team in all divisions; no alliance (e.g., UTA) or international team is permitted.

To assist with timetabling, each state/territory must enter provisional teams with the close of definitive entries for Australian Championships. Member Associations are permitted to make amendments to the gymnasts in the team up until the end of training on the day prior to the preliminary round of the **first International Stream event**.

Team construction:

Each state is invited to submit one team into the six events specified above. Each team **is to** consist of a **minimum of three** and a maximum of up to four gymnasts from Youth, Junior and Senior per event.

No more than three gymnasts per team **can** be taken from the Senior International category.

Competition Format – Preliminary Round:

The preliminary round of competition at Australian Championships will determine the teams that will compete in the final round.

Within the preliminary round, the top three scores for each round of competition will contribute to each team's total score. Please see below examples:

TRP:

- Top 3 **1st voluntary** scores
- Top 3 **2nd voluntary** scores

DMT/TUM:

- Top 3 scores for Pass 1
- Top 3 scores for Pass 2

The top four teams (states/territories) in each category will progress to the Team Final. If there is only one team entered, there will be no Team Final, **and the one team entered will be awarded 1st place in this circumstance, as long as at least 3 of the nominated team members competed in the preliminary competition.**

Competition Format – Team Final:

A maximum of 16 gymnasts in one flight will compete in each final. All finals will be a zero start. All gymnasts must wear state uniform as per Code of Points.

Trampoline:

Each gymnast in the final will perform **one** voluntary routine. The gymnasts who competed in the preliminary round of competition must also compete in the team final unless withdrawn from competition. In this case, there can be no substitution of gymnasts and the remaining team members will contribute to the final result.

The top three scores per team will contribute to the final team score. The State/Territory with the highest total score is the winner.

Double-Mini Tramp/Tumbling:

Each gymnast in the final will perform **one** pass. The gymnasts who competed in the preliminary round of competition must also compete in the team final unless withdrawn from

competition. In this case, there can be no substitution of gymnasts and the remaining team members will contribute to the final result.

The top three scores per team will contribute to the final team score. The State/Territory with the highest total score is the winner.

5.5.9 Australian Gymnastics Championships - National Age Stream

Qualifying For Finals

The best **6** competitors from the preliminaries will participate in the finals. If there are 30 or more residential competitors **at the completion of the event's preliminary competition**, then the best **10** competitors will participate in the finals. The finals will also include the top 6 or 10 residential competitors (if 30 or more residential competitors competing).

Team Events

For each discipline a team shall be considered as comprising all the competitors, entered by a Member Association or United Team Alliance as team members, in each discipline.

The score of the team member or synchronised pair in each event, with the highest number of points after the completion of the preliminaries, will be considered as the team score for that event.

The winner will be the team with the highest total of the top **seven (7)** scores for each team.

An interstate team challenge shall be conducted at the Age Championships. It will be decided on the basis of converting the scores of the Number 1 teams to a percentage (the top team in each discipline being 100%) and then adding the four discipline percentages together.

The State/Territory or Alliance with the highest total percentage will be the winner.

5.5.10 Routine Requirements

Refer to the [Australian Levels Program](#) for routine requirements for each level.

NATIONAL AGE CHAMPIONSHIPS

Discipline	Age Division	Routine Requirements
TRP & SYN All competitors must compete two voluntary routines. Refer to the Australian Levels Program for the relevant level 1 st Voluntary routine requirements.	Under 11 (Min. 9 years)	LEVEL 4 - Combined 1st and 2nd Voluntary Routine Minimum Requirements.
	Under 13	LEVEL 5 - Combined 1st and 2nd Voluntary Routine Minimum Requirements.
	Under 15	LEVEL 6 - Combined 1st and 2nd Voluntary Routine Minimum Requirements.
	Under 17	LEVEL 6A - Combined 1st and 2nd Voluntary Routine Minimum Requirements.

5.6 National Clubs Carnival

National Clubs Carnival is the **first** qualifying event for the Australian Championships **each year**.

5.6.1 Competition Events

- Individual Trampoline, Double-Mini Trampoline & Tumbling.
- No** Synchronised Trampoline will be contested as part of the National Clubs Carnival as this is not a discipline of the “Australian Levels Program” and due to the increased bias in points towards Trampoline Discipline Clubs over Tumbling/DMT oriented Clubs.
- Men & Women .
- Level 4, **Level 4A TRP and DMT (** entries dependent)** ,Level 5, Level 6, Level 7, Youth, Junior, Senior.

5.6.2 Uniform

Club team members **must wear the club uniform** in the elimination and final rounds of their respective division.

Male Trampoline Gymnasts are allowed to wear Dark Longs (which differs from FIG regulations).

5.6.3 Awards

CLUB TEAM COMPETITION - Plaque

- National Levels Overall Champion Club
- National Levels Champion Trampoline Club
- National Levels Champion DMT Club
- National Levels Champion Tumbling Club
- National Level 4 Champion Club (**Level 4 & 4A Combined if the Level 4A event is contested. The Level 4 & 4A scores will be ranked against each other directly to calc team results)
- National Level 5 Champion Club
- National Level 6 Champion Club
- National Level 7 Champion Club
- National Elite Champion Club (Youth, Junior, Senior)

INDIVIDUAL TRP, DMT & TUM TITLES - Medals

**** As of 2018, the Level 4A event for TRP and DMT have been added as individual events. This event will only be contested if both Level 4 and Level 4A entries are equal to or greater than 20 entries, otherwise the Level 4A entries will be combined into the Level 4 event.**

5.6.4 Qualifying For Finals

Levels Events

The best 6 competitors from the preliminaries will participate in the finals. If there are 30 or more residential competitors **at the completion of the event preliminary competition**, then the best 10 competitors will participate in the finals. The finals will also include the top 6 or 10 residential competitors (if 30 or more residential competitors competing).

International Stream Events

The best 8 competitors from the preliminaries will participate in the finals.

5.6.5 Club Team Competition Rules

The club team scores will be calculated from the preliminary competition results only.

Only athletes who have successfully achieved the minimum DD requirement for the level they are competing in can receive points for their club. For team points calculations only, if an athlete has not met the minimum DD requirements, then all athletes placed below the athlete at fault move up one placing, and the appropriate team points are allocated to their clubs.

The first placing, that has met minimum DD requirements, of each event after the preliminary competition will receive 10 points.

2nd place to 10th place will receive 9 points to 1 point respective of their preliminary placing. Only the club's highest placed athlete's score will count for the club score in each event.

A club's best performing athlete's points for each event is added together to obtain the club score with the following allowances:

- 30 best of the 42 possible events count towards the Overall Champion Title.
- 10 best of the 14 possible events count towards each of the Discipline Champion Titles.

- 5 best of the 6 possible events count towards each of the Levels Champion Club Titles.
- The club with the highest score is the winner.

In the case of a tie, a tie-breaker rule will be applied.

- The club with results from the most number of different disciplines for the particular award being contested is the winner.
- If clubs are still tied at this point, then the club with the most number of counting points for the particular award being contested is the winner.

A maximum score can be achieved of:

- 300 points for the Overall Champion Club Title
- 100 points for each of the Discipline Champion Club Titles
- 50 points for each of Levels 4, 5, 6 and 7 Champion Clubs
- 150 points for the Elite Champion Club (i.e.: 3x50 pts max)

5.6.6 Generic Discipline Rules – Athlete Level

A minimum of Level 3 must be achieved by close of entries and have been recorded on the National database at Gymnastics Australia for eligibility to compete.

Athletes in individual events must compete in the level passed and recognised by Gymnastics Australia, or may voluntarily upgrade one (1) level to compete. Once an athlete voluntarily upgrades in an individual event to compete, then all subsequent national competitions must be contested in that level, unless an official application for downgrading due to special circumstance is submitted and accepted by the State/Territory and National Associations. All levels must be processed with Gymnastics Australia by entries close.

All levels within each discipline shall have minimum and maximum difficulty requirements for the qualifying (prelims) rounds. Maximum DD requirements will apply for finals. **Double saults are not allowed in Level 4 and 4A, and if performed will receive zero (0) difficulty for the skill.**

Athlete Level Upgrades

The National Technical Commission will monitor Qualifying Events, State/Territory Championships and Australian Championships to determine an athlete's minimum level to compete at the National Clubs Carnival. If an athlete has met the requirements for levels above that recorded or entered for the event, then the athlete will not be allowed to compete at the recorded or entered level.

E.g.: If a club has only processed or entered Level 4 for an athlete, and the athlete has demonstrated Trampoline 2nd voluntary routine score and DD, or DMT prelim score and DD, or Tumbling prelim score and DD of Level 5 or above during the calendar year of the National Clubs Carnival, then the athlete **will not be allowed** to compete Level 4.

5.6.7 Minimum & Maximum Degree of Difficulty Requirements

For completed routines or passes that do not reach the minimum difficulty requirement the following rule shall be applied by the Chief Referee.

The imposed penalty for not meeting the minimum difficulty for the routine or pass shall be equivalent to the shortfall between the difficulty awarded and the minimum required and deducted from each execution judges' execution score of the routine/pass. Eg.: Athlete A performs a 2.1 voluntary in an event with a minimum requirement of 2.3, then the penalty of 0.2 shall be deducted from each execution judges' score.

For completed routines or passes that exceed the maximum difficulty requirement the following rule shall be applied by the Routine Judge.

The imposed penalty for exceeding the maximum difficulty requirement for a routine or pass shall be the reducing of the difficulty to meet the maximum allowed. Eg. Athlete B performs a 2.5 voluntary in an event with a maximum requirement of 2.3, then the 0.2 excess shall be deducted from the difficulty performed, awarding 2.3 difficulty for the performance by the routine judges.

- Youth, Junior, and Senior have unlimited DD in Preliminaries and Finals.
- There will be no minimum DD requirements on final round routines or passes.

5.7 Judges

5.7.1 Supply Guidelines

Please refer to the "[NATIONAL EVENTS JUDGE SUPPLY GUIDELINES TRAMPOLINE GYMNASTICS](#)" on the Gymnastics Australia Website, which outlines the specific rules regarding supply of judges for the Australian Championships and National Clubs Carnival.

Judges are required to wear black or navy suits, as for FIG events.

5.7.2 Subsidy

See Australian Championships Judges Subsidy Policy on Gymnastics Australia's website www.gymnastics.org.au > About Us > By-laws, Policies and Technical Regulations.

5.7.3 Judges Panels

The National Technical Director and Judging Coordinator will consider all or some of the following factors (not listed in any order of priority) when judging numbers exceed the allocated subsidy numbers and they may give such weight to any or all of these factors as they see fit:

- Judging Qualification
- Number of judges per state
- Experience – International, National and State
- Years of service
- Contribution to the sport

The decision of the selectors will be final and judges will not be permitted to appeal the decision.

"For more information, please see the Judge Supply Guidelines for Trampoline Gymnastics available on the Gymnastics Australia website www.gymnastics.org.au > Gymsports > Trampoline Gymnastics > Technical Information."
