Competition Schedule & Work Order

The final competition schedule and Version 1 of the work order is currently available on the event website.

Should any amendments to the work order be required, please complete the form [HERE](#).

Tickets

Spectator tickets for the event will be available from next week.

Parents, guardians, and friends of participating students will have access to a 15% early bird discount using the code **AEROSCHOOLS2025**.

This discount will be valid until Sunday 14 September.

Tickets will be available online only and cannot be purchased at the door.

Students participating in the event do not need to purchase a ticket if they wish to watch another session.

Further information and the link to purchase tickets will be published on the event website shortly.

Orientation Meeting

An orientation meeting for all teachers & coaches will be held at 7:30am on Wednesday 17 September. This meeting will be held on the competition floor / in the warm up area.

Students and parents do not need to attend this meeting.

Equipment

The 2025 AeroSchools National Championships will be conducted on an FIG competition Aerobics floor.

The warm up space will have scatter and strip matting for use. A 7m X 7m and 10m X 10m area will be marked out with tape in the warm up space.

Accreditation Centre & Collection Times

All teacher, coaches and students must wear their event accreditations at all times. Students may remove them once in the warm up area and competing.

Teachers and coaches must collect their accreditations individually from the accreditation office at the event. You will be asked for photo ID this time.

All student accreditations will be signed out to each school upon arrival. These can also be collected from the accreditation office. Student accreditations will not be signed out individually to parents or guardians.

Opening hours for the accreditation office are as follows;

Date	Opening Times
Wednesday 17 September	7:00am - 6:00pm
Thursday 18 September	7:30am - 7:30pm

Medical Coverage

Doctors and Physiotherapists will be onsite for the duration of the competition to assist with any injuries that occur during warm-up or competition.

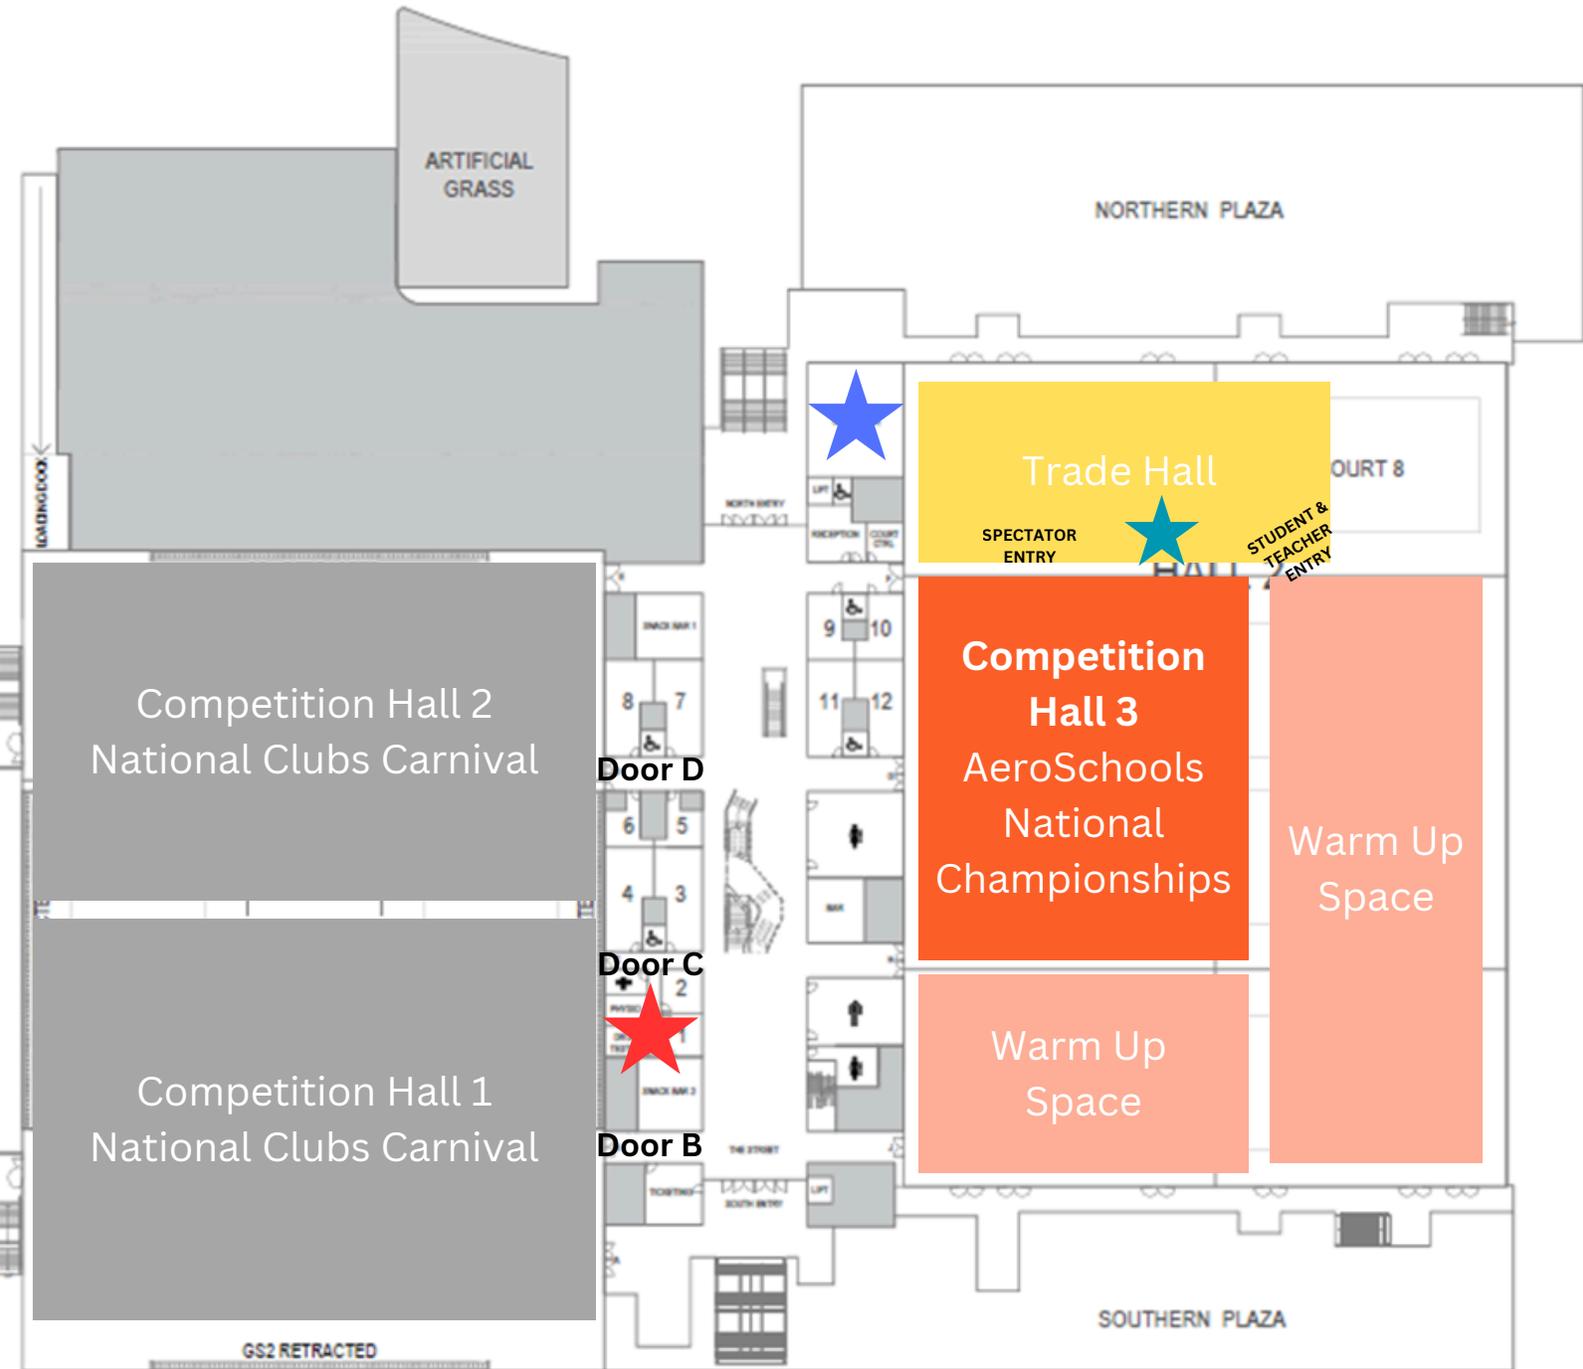

If a student requires support for an existing or ongoing injury, please speak with one of the medical staff, who can connect you with a suitable local provider.

In the event of an injury during competition, students should not be moved until assessed by the medical team.

Ice will also be readily available throughout the event, and students and teachers / coaches are welcome to help themselves as needed.
