Gymnastics Australia requires officials to provide evidence of the following items prior to collecting their accreditation;

- Photo ID

This year, Gymnastics Australia will verify the relevant education course completion prior to officials' arrival at the event, to ensure a smooth process for all at the accreditation center. GA certificates easily accessible if required.

Medical Coverage

Doctors and Physiotherapists will be onsite for the duration of the competition to assist with any injuries that occur during warm-up or competition.

If an athlete requires support for an existing or ongoing injury, please speak with one of the medical staff, who can connect you with a suitable local provider.

In the event of an injury during competition, athletes should not be moved until assessed by the medical team.

Ice will also be readily available throughout the event, and athletes and coaches are welcome to help themselves as needed

Award Ceremonies

All awards will be presented in accordance with the 2025 Technical Regulations for each GymSport, with placings awarded from 1st through to 6th place.

Ties will be recognised and resolved as outlined in the Technical Regulations.

Attendance at the relevant awards ceremony is compulsory for all athletes, and failure to attend will result in the award or placing being reallocated.

Athletes are expected to wear their club attire or uniform during the ceremony, with socks or gym shoes required. Street shoes are not permitted.

To ensure a smooth and timely ceremony, athletes are asked to marshal promptly at the conclusion of their competition session.

Georgia Godwin

Training Diary

We're excited to share that Georgia Godwin, Commonwealth Games Champion, Olympian, and passionate advocate for athlete wellbeing, is launching her very own Gymnastics Training Diary: “**Dream Big, Believe in You.**”

The diary is designed for gymnasts of all ages and abilities to track their progress, reflect on their journey, and build the mental skills needed to thrive both in and out of the gym. It's grounded in Georgia's own experiences and includes prompts and resources that encourage self-reflection, resilience, and healthy training habits.

Training diaries are a valuable tool for athletes – they support goal setting, celebrate achievements, and provide a safe space for expression and confidence building.

Ahead of the public launch at Club Nationals in October, clubs can access an exclusive pre-sale bundle of diaries online:

- Club Bulk 25 copies: Click [**HERE**](#)
- Club Bulk 50 copies: Click [**HERE**](#)
